Malayalam Font Package and Script Manager

The “AKSHARAMAALA” software package consists of two sub packages, “MSM” a Malayalam Script Manager and “Vahini”, a Malayalam font package. This package complies with the standard INSCRIPT keyboard layout, Phonetic Keyboard Layout and the ISFOC standard. This package enables the use of Windows based applications for Malayalam data processing. Some of the packages supported by this application are MS Office, PageMaker, Adobe Illustrator, MS Frontpage, Macromedia Dreamweaver, Corel Draw, and Lotus Smart Suite. This package is intended for use under the Windows Operating System.

The “MSM” package consists of a keyboard manager, which supports the INSCRIPT keyboard overlay and a Phonetic keyboard overlay for the entry of Malayalam characters.

The “Vahini” package is a collection of Malayalam fonts that can be used for word processing, web publishing, data processing etc. and for use in MS-Windows

applications. There are number of high quality Malayalam True-type fonts.

FEATURES
